INDEX TO AUTHORS

ACHONG, B. G., see *Epstein, M. A.*

AICHROTH, P. M., see *Greening, W. P.*

AITKEN-SWAN, J. and BAIRD, D., circumcision and cancer of the cervix, 217

ALLEGRI, G., BENASSI, C. A., BOCCU', E., DE NADAI, A. and PERISSINOTTO, B., tryptophan pyrrolase, kynureninase and kynurenine transaminase activities of human renal tumours, 754

APSEY, M. E., see *Burston, D.*

ARORA, S., see *Wahi, P. N.*

ASHMEADE-DYER, A., see *Bras, G.*

BACH, S. J. and SWAINE, D., the effect of arginase on the retardation of tumour growth, 379

BAIRD, D., see *Aitken-Swan, J.*

BAKER, R. A., see *Young, S.*

BALDWIN, R. W., abnormal cell antigens in aminoazo dye induced rat liver tumours, 894

—— and BARKER, C. R., influence of aminoazo dyes on drug metabolism in rat liver, 565

—— and SMITH, W. R. D., *N*-hydroxylation in aminostilbene carcinogenesis, 433

BARKER, C. R., see *Baldwin, R. W.*

BARR, Y. M., see *Epstein, M. A.*

BARTON, A. A. and BARTON, M., electron microscope studies on the effect of thiotepa on the cytoplasm of fibrosarcoma cells grown in tissue culture, 527

BARTON, M., see *Barton, A. A.*

BENASSI, C. A., see *Allegri, G.*

BERG, J. W., the distribution of cancer deaths in time. A survey test of the lognormal model, 695

BHARDWAJ, B. V., see *Clifford, P.*

BLEEHEN, N. M. and JELLIFFE, A. M., vinblastine sulphate in the treatment of malignant disease, 268

BLOOM, H. J. G., the influence of delay on the natural history and prognosis of breast cancer, 228

BOAK, J. L., see *Woodruff, M. F. A.*

BOCCU', E., see *Allegri, G.*

BOHRER, S. P., see *Burn, J. I.*

BOND, M. R., see *Rose, D. P.*

BONSER, G. M., see *Clayson, D. B.*

BOYLAND, E., NERY, R. and PEGGIE, K. S., the induction of chromosome aberrations in *Vicia faba* root meristems by *N*-hydroxyurethane and related compounds, 878

——, see *Roe, F. J. C.*

BRAS, G., WATLER, D. C. and ASHMEADE-DYER, A., the incidence of malignant neoplasms in Jamaica, 681

VAN DEN BRENK, H. A. S., see *Jamieson, D.*

BRIDGES, J. B., BRIDGES, J. M., EDELSTYN, G. J. A. and LYONS, A. R., foetal liver suspensions in the treatment of marrow aplasia, 122

BRIDGES, J. M., see *Bridges, J. B.*

BUCKELL, M. and ROBERTSON, M. C., enzyme studies in cerebral tumours. Lactate dehydrogenase, glucose phosphate isomerase, acid and alkaline phosphatase in plasma, ventricular cerebrospinal fluid and tumour cyst fluid from cases of glioma and cerebral secondary carcinoma, 83

BUELL, P., nasopharynx cancer in Chinese of California, 459

BURN, J. I. and BOHRER, S. P., lymphography in metastatic lymph node disease, 321

BURSTON, D., APSEY, M. E. and MACLAGAN, N. F., further observations on the effects of tumours on the perchloric acid soluble proteins of the rat, 200

CALCUTT, G., the effects of some cancer chemotherapy agents on the sulphydryl levels of normal rat tissues, 883

CALNAN, J. and DAVIES, A., the effect of methotrexate (amethopterin) on wound healing: an experimental study, 505

CARROLL, R., see *Tapp, E.*

CAUSEY, G., the distribution of lead after intravenous injection in the tissues of the rabbit, and in tumour bearing mice, 867

CHALMERS, J. G., the effect of isoniazid on the clearance of pyruvic and α-oxoglutaric acids in the urine of mice, *Meriones lybicus* and rats, 430

CHERRY, C. P. and GLUCKSMANN, A., the histogenesis of carcinomas and sarcomas induced in the salivary glands of rats, 787

CHESTERMAN, F. C. and POMERANCE, A., cirrhosis and liver tumours in a closed colony of golden hamsters, 802

——, see *Pomerance, A.*

CHOPRA, H. C., study of virus-like particles in male mice carrying mammary tumour agent, 151

CLAIN, A., secondary malignant disease of bone, 15

Clarke, G. D., variations in the tumour-forming capacity of a line of rat fibroblasts (16C) following selection *in vitro*, 840

Clayson, D. B. and Bonser, G. M., the induction of tumours of the mouse bladder epithelium by 4-ethylsulphonylnaphthalene-1-sulphonamide, 311

——, Lawson, T. A., Santana, S. and Bonser, G. M., correlation between the chemical induction of hyperplasia and of malignancy in the bladder epithelium, 297

Clifford, P., Bhardwaj, B. V. and Whittaker, L. R., intensive nitrogen mustard therapy with abdominal aortic occlusion in nasopharyngeal carcinoma, 51

Cooke, J., see *Dickens, F.*
